

## PIP'S WINTER TIP

Stay warm swimming this winter. Dry off as soon as you exit the pool. Wear a double layer rashie and bring dry clothing to change into straight after lessons.

## ASSESSMENT REMINDER

Instructors will identify students ready for assessment

They will book an assessment for the following week with the Aqua Learn to Swim assessor team.

After an assessment by our Aqua Learn to Swim Assessors, students who have completed the level outcomes will be able to move into the new level as soon as a suitable class is available.

If there is no suitable class, students will remain in their current class until a class becomes available. If this occurs our instructors will teach according to the capacity of the child, not the class level.

## SHOOTING STARS TERM 1, 2023 WINNERS

The Shooting Star Award is awarded to students that show enthusiasm and determination to improve their swimming skills, while learning to become safe and stronger swimmers.

### Emerton Shooting Star LACEY

Lacey's breaststroke has shown significant improvement since the start of the term.

Since moving up from Sealion, full breaststroke is a new skill, which she has picked up very well.

### Stanhope Shooting Star NIKEIL WANNIARACHCHI

Nikeil is developing strong skills and should consider swimming as a main sport. Nikeil is a great listener and is committed in every lesson.

### Blacktown Shooting Star JIYA PATEL

Jiya always tries hard and has positive attitude in class every week. She has put in a good effort to improve her breaststroke kick.

### Riverstone Shooting Star HAADIN AHMAD

Haadin has excelled in his swimming. Well done Haadin.

# World Drowning Prevention Day

World Drowning Prevention Day is on July 25 2023.

We are asking members of our community to do one thing to prevent drowning:

**Supervise children 0-15 years of age at all times even during swimming lessons**

**Learn to Float**

**Become a pool lifeguard**

**If not a competent swimmer, wear a lifejacket**

**Become a swim teacher**

**Learn CPR**

**Know the conditions**

**Every small step can help save lives**

# Fees effective from 1 July 2023
